

## Grove City has a NEW Website – [grovecityflorida.com](http://grovecityflorida.com)

Several Grove City businesses expressed an interest in having a website that would promote local businesses within this community. So, I have created one. I am currently seeking businesses that would like a Business Listing on the Grove City website.

**A Business Listing** on GroveCityFlorida.com will create an opportunity for people to reach your business by providing the following information when people search online:

- Business Name
- Address
- Phone Number
- Business Hours

This will ensure that anyone visiting GroveCityFlorida.com will find out about your business and have an opportunity to contact you.

My goal is to represent every single business in Grove City. In order to accomplish this, I have come up with a flexible fee structure to fit the needs of every business -- big or small.

### **Business Listing Rates are for the period of January 2015 – December 2015**

No pro-rate on the fee, so get your listing built as early in the year as possible. All listings will be published in the order that they are received.

**The cost of a Basic Business Listing is \$50.00**, which includes the initial set-up fee for a Business Listing and ONE client provided photo.

**Businesses that have their own website** might see the added value of having a link to their website and a SECOND photo for only \$15 more with the Enhanced Business Listing.

**The cost of a Enhanced Business Listing is \$65.00**, which includes the initial set-up fee for a Basic Business Listing, TWO client provided photos and a **link** to your business website.

**Customize your Listing!** For an additional fee, design enhancements can be purchased “a la carte” allowing you to customize your listing whenever you want. You can pick and choose whether to add to or change your listing with:

- Additional Photos or a Photo Change - \$15-\$20
- Additional Links, such as an Email Link - \$15
- Your Business Logo - \$20-\$30
- Printable Coupon or Special Offer - \$15-\$25
- My Photography – One **free shot** when you sign up before February 1<sup>st</sup>, 2015

Note: Design fees for enhancements are subject to change, but will be quoted upon request.

**All businesses listed during 2015** will be able to re-new for 2016 at a reduced annual maintenance rate which will be determined by the number of businesses are listed on the website. The more listings on the website, the lower the cost for everyone! *The cost of the Annual Maintenance Fee will be published on the website once it has been established.*

**Fee Information:**

- Fees for a Business Listing are due prior to the Listing being built and published.
- You will receive an email notification/confirmation upon publication.
- You may cancel your listing at any time, however the fee for a listing is non-refundable 2 weeks after publication date.
- During the first 2 weeks you may request up to 2 changes to your listing, no charge.
- You may change your listing at any time, however, changes made to your listing after the first 2 weeks will be subject to an additional design fee.
- Fees for any design enhancements will be quoted and paid for in advance of changes to a business listing.

If you have any questions, please don't hesitate to contact me.  
Phone - (941) 626-1184 or via Email - [jodisweb@gmail.com](mailto:jodisweb@gmail.com)

The Grove City website will be administrated & maintained by Jodi Overman, [jodisweb.com](http://jodisweb.com)

Detach below, make checks payable to: Jodi Overman, P.O. Box 261, Placida, FL 33946
